Wings

Put wings on your attitude;
Let your thoughts soar outward and upward;
Ground them no more.

Discard excess baggage of "ifs", "buts", and "noes";
Send them away with the wind as it blows.

Cut through the darkness of delusion and doubt;
Turn the light high both within and without.

Rise above fog that limits your mind;
Keep moving upward until clear skies you find.

Stay on your course once you've risen about;
Maintain your position with wisdom and love.

Let wings on your attitude carry you through,
And blessing will follow in all that you do.

There are some, down the road between hither and yon, that can scare you so much you won't want to go on....Just never forget to be dexterous and deft. And NEVER mix up you right foot with your left. And will you succeed? Yes! You will, indeed! (98 and 3/4 percent guaranteed).
